

2022 ALPHA Program

Parent Information Session

A wonderful, application only, opportunity exists for students entering Year 7 in 2022, to participate in Coolum State High School's ALPHA Program.

ALPHA empowers students to be critical and creative thinkers who use reason, logic, resourcefulness, imagination and innovation in both teacher facilitated and collaborative inquiry based learning activities.

- ✓ Entrance into ALPHA will be based on demonstrated evidence of:
- ✓ A high level of performance ability in STEM and English subject areas
- ✓ Evidence of consistently high levels of behaviour and effort in all subjects
- ✓ A high aptitude in problem solving and critical thought as evidenced in the ALPHA entry examination.

Applications can be downloaded from the school website: <https://coolumshs.eq.edu.au/Enrolments> and must be lodged at the Administration Office no later than Friday 21 May 2021.

Care • Respect • Excellence

Parents and their children who would like more information about this exciting program are welcome to attend our Information Presentation.
